Loan Approved for Carolina Clubs, Inc. Leading to the Creation of 7 Jobs

Charleston, NY – The Montgomery County Business Development Center is pleased to announce the approval of a \$145,650 loan to Carolina Clubs, Inc. The term of the loan is 6-years at 2%. The company will utilize the loan proceeds to help with equipment purchases and relocation costs associated with their move from Wellington, Florida to the Charleston Industrial Park. This loan will result in the creation of 7 employees over the next three years.

Carolina Clubs, Inc. has been producing quality wood baseball bats since 1991. Throughout the past sixteen years their client list has included some of the biggest names in Major League Baseball. Professional players worldwide have been quoted as saying these are the "best Maple Bats and Ash bats I have ever used!" Carolina Clubs, Inc. manufactures a wide variety of Pro Select models. Whether you are interested in high quality maple bats or ash bats Carolina Clubs is the right place. Carolina Clubs, Inc. is a true leader in the production of Professional wood baseball bats worldwide. They provide the quality wooden bats you expect and deserve. Their state of the art CNC equipment insures precise and consistent production day in and day out. The maple and ash bats are by far the best on the market! Complete quality control from standing timber through finished wood baseball bat assures you're receiving the same quality Maple Bat and Ash Bat as our MLB clients. The sawmill in upstate New York also know as TYL who produces only the highest-grade maple and ash billets used in the production of professional wood baseball bats. True quality control is evident because Carolina Clubs also owns the sawmill, TYL. The two production facilities both being owned and managed by Carolina Clubs, Inc guarantee the highest quality wood bats available.

About Montgomery County Business Development Center

The Montgomery County Business Development Center is a comprehensive resource for business and economic development and planning services throughout Montgomery County. Available services include business development and technical assistance; company and facility siting; workforce and labor development; and government coordination, including permit processes and Empire Zone incentives. In addition, the Center provides County Planning services and grant writing. The Montgomery County Business Development Center is comprised of the Montgomery County Industrial Development Agency and the Montgomery County Department of Economic Development of Planning.
